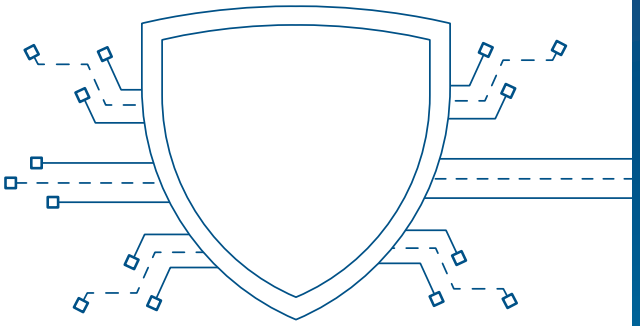
Cybersecurity Mission



CISA's Cybersecurity Division leads the national effort to reduce the prevalence and impact of cyber incidents by providing services, guidance, and capabilities that address immediate risks and advance toward a secure cyber ecosystem.

HOW CISA IS CARRYING OUT ITS CYBERSECURITY MISSION:

- Catalyze Persistent Collaboration Across Government and the Private Sector
- Expand Operational Visibility into Threats and Vulnerabilities
- Drive Prioritization and Measure Adoption of the Most Effective Security Measures
- Serve as the Operational Lead for Federal Civilian Cybersecurity
- Advance a Technology Product Ecosystem that is Secure by Design and Default

Infrastructure Security Mission

CISA's Infrastructure Security Division leads the coordinated effort to reduce risks posed to our critical infrastructure, whether from man-made or natural causes.

HOW CISA IS CARRYING OUT ITS INFRASTRUCTURE SECURITY MISSION:

- Combat Terrorism and Targeted Violence
- Conduct Exercise and Training Programs
- Enhance School Safety with our School Safety Task Force
- Assess and Analyze Critical Infrastructure
- Identify and Prioritize Critical Infrastructure
- Strengthen Chemical Security with Inspections and ChemLock

Emergency Communications Mission

CISA's Emergency Communications Division supports and promotes communications used by emergency responders and government officials to keep America safe, secure, and resilient.

HOW CISA IS CARRYING OUT ITS EMERGENCY COMMUNICATIONS MISSION:

- Expand Interoperability
- Coordinate Effective Communications Planning
- Increase Priority Services Adoption with Interoperable Priority

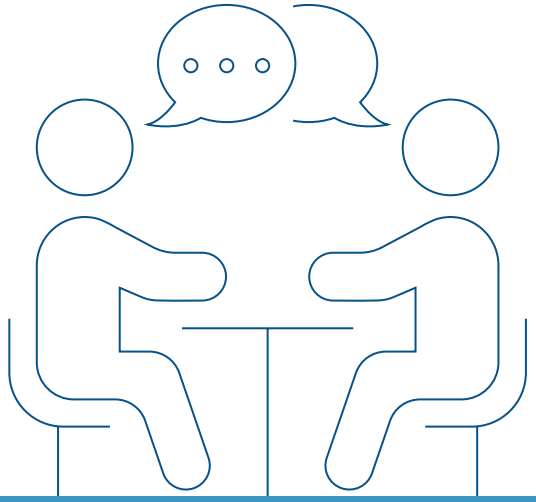
National Risk Management Center

CISA's National Risk Management Center provides planning, analysis, and collaboration to lead strategic risk reduction efforts for the nation.

HOW CISA IS CARRYING OUT ITS RISK MANAGEMENT MISSION:

- Provide Risk Analysis to Customers Throughout the Critical Infrastructure Community
- Drive Shared Understanding and Collaborative Mitigation of Risks
- Drive Action in Focused, Prioritized Risk Areas

Stakeholder Engagement

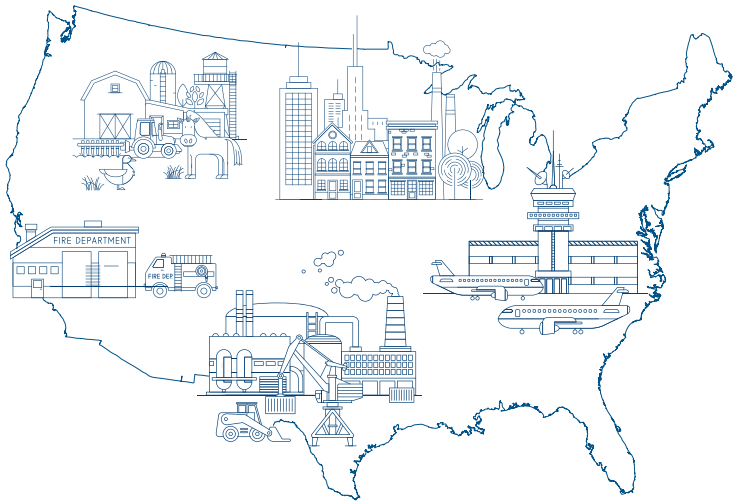


CISA's Stakeholder Engagement Division builds and maintains national and international partnerships and engagements while serving as the hub for the shared stakeholder information that advances unified risk reduction efforts.

HOW CISA IS CARRYING OUT ITS STAKEHOLDER ENGAGEMENT MISSION:

- Plan and Implement Collaboratively Stakeholder Engagements and Partnership Activities to Advance a Unified Mission Delivery
- Use Stakeholder Insights and Feedback to Inform CISA Product Development and Mission Delivery
- Ensure Stakeholders Have Easy Access to CISA Programs, Products, Services, and Information

Integrated Operations



CISA's Integrated Operations Division enhances the resilience of our nation's critical infrastructure by taking an integrated approach to delivering services and sharing information. By meeting our stakeholders where they are, we help critical infrastructure owners and operators mitigate risk.

HOW CISA IS CARRYING OUT ITS INTEGRATED OPERATIONS MISSION:

- Provide Operational Visibility to Understand, Manage, and Reduce Risk to the Nation
- Offer a Unified Regional Approach to Sharing Information and Delivering CISA Services
